Life is a dew drop
sent from above,
Borne by a spirit
on wings of love.

Life is a meadow
where wild flowers
grow,
Fragrance and
beauty for earth
below.

Life changes from
green to golden
brown
When leaves and
snowflakes
fall gently down.

Life is a song
borne on the breeze;
Life is a sob, the
music of leaves.

Life is the universe,
law the rod;
Life is the soul
winging on to God.
